If someone could tell me
why I should be happy?
➤ That would be great. ➤

well if I could find some energy I might be interested
but right now that is not likely.

I almost got excited before I heard
the score on the radio before I could watch the game.

I don't know why
I read the news,
there is never anything
good in it.

A small, fluffy brown squirrel with a white belly is standing on a grassy forest floor. It is holding a US penny in its paws and looking towards the cat with a friendly expression.

penny for
your thoughts

A large, fluffy cat with a white face and chest and brown patches, known as Grumpy Cat. It has a grumpy expression and is lying down on the grass.

What can you
buy for a penny
these days?

A white banner with a ribbon-like border, containing the website address.
